An asterisk (*) appearing next to the amount indicates a difference from projected activity either in the amount or the date. The letter "E" next to an amount indicates that the payment or disbursement has not yet occurred, but is estimated to occur on the date shown.					

Last year we anticipated that Disbursements would be made from your Escrow Account during the period equaling \$1,542.51. Your lowest monthly mortgage loan balance should not have exceeded \$392.20, which is either 1/6 (also equal to no more than two months) of the total projected payments from the account as required by federal law or the reasonable amount required by state law or the amount required by the mortgage contract. Your actual lowest monthly balance was equal to or greater than \$-5,397.54. The items with an asterisk on your Account History may explain this. For further explanation, call our toll-free number shown under the Contact Us section on this statement.

Account Projections					
The following information covers your projected escrow account activity from 05/2021 to 04/2022. All payments we anticipate receiving as well as disbursements we anticipate making on your behalf are included, along with the Projected Escrow Account Balance, derived by carrying forward your current actual escrow balance. The required Escrow Account Balance displays the amount actually required to be on hand as specified by federal law, state law, or your mortgage documents, and may include a cushion of up to one-sixth of your annual disbursements. Please retain this statement for comparison with the actual activity in your account at the end of the next escrow analysis cycle.

Your Projected Escrow Account Balance as of 04/30/21 is \$116.33. Your Required Beginning Escrow Balance according to this analysis should be \$443.41. This means you have a shortage of \$-327.08. Per federal law, the shortage may be collected from you over 12 months or more unless it is less than 1 month's deposit, in which case we have the additional option of requesting payment within 30 days. **We will collect the shortage over 12 months.** Once during this period, your Required Escrow Account Balance should be reduced to \$443.48, as shown in April. This amount represents the cushion selected as allowed by your mortgage contract, federal and state law.

Balance Your Escrow Account

Each year your account is reviewed to make sure there is enough money to pay your property taxes and/or insurance. To do that, federal law allows us to require a minimum balance in your account. This cash reserve helps to cover any increase in taxes and/or insurance. Subject to state law limits, your minimum balance normally equals the amount of your escrow payments for about two months. The payments made to and from your escrow account last year help predict your account activity for next year. Last year's activity also helps predict what your lowest account balance is likely to be. To balance your escrow account, we compare what your lowest account balance will likely be next year with your minimum required balance. The difference between those two numbers tells us if you need to deposit additional funds or if we will provide a refund.

\$443.48	Your minimum required balance
\$116.40	Your projected lowest account balance for April
\$-327.08	Your escrow account surplus/shortage

Your Payment Information

Your current total monthly mortgage payment is \$535.28. Your total amount due will change by \$56.43. Your new total monthly payment will be \$591.71, effective 05/01/2021.

Your Escrow Shortage

Your projected escrow account balance as of 04/30/21 is \$116.33. Your required beginning escrow balance according to this analysis should be \$443.41. This means you have a shortage of \$327.08.

A surplus or shortage in your escrow account commonly occurs when:

- > The projected amount at closing increases or decreases
- > Your property taxes increase or decrease
- > Your homeowners insurance increases or decreases
- > You change your homeowners insurance company
- > We pay delinquent taxes on your behalf

If you have questions about an increase in your property taxes or insurance premiums, please contact your local taxing authority or insurance agent.

To Pay Your Shortage

As referenced above, your shortage is \$327.08. If you choose to pay your shortage in full, please detach and enclose the stub at the bottom of your analysis statement along with your payment and mail to:

PO BOX 37628
PHILADELPHIA, PA 19101-0628

Once we receive your payment and apply it to your loan, your payment will be adjusted.

Although you've paid your shortage in full, the amount of your payment may still change. Your escrow collections over the next 12 months may be increased to ensure enough funds are collected to pay your future taxes and insurance.

If you choose not to pay your shortage in full, we will collect the shortage over 12 months.

FREQUENTLY ASKED QUESTIONS

I thought I had a fixed rate. Why did my payment change?

Your mortgage payment is made up of two parts: your loan payment (principal and interest) and your escrow payment (taxes and insurance). Your loan payment does not increase or decrease unless you have an adjustable rate mortgage (ARM). The portion of your monthly mortgage payment that goes toward escrows (taxes, homeowners and/or mortgage insurance) will change based on your projected amounts due to be paid.

Your Mortgage Payment

* Your escrow payment may consist of the items in the three categories shown in gray.

Please note: this chart is provided for demonstration purposes only and is not intended to represent the specific amount you have in each category.

Why is there extra money in my escrow account?

Your escrow account makes sure you have money set aside to pay the necessary taxes and insurance.

A certain amount of the funds in your escrow account are designated to help keep your account from going negative. We call that an escrow cushion.

Think of your cushion as overdraft protection for your escrow account. Your cushion is designed to help offset any small changes in your tax and/or insurance bills. This helps lessen the burden of an escrow shortage when your escrow analysis is completed. Cushions typically cannot be waived or removed.

How can I lower my escrow?

You may seek additional insurance quotes while maintaining the required coverage. You may contact your taxing authorities and ensure that you have taken advantage of all applicable exemptions. If you are able to reduce the cost of your insurance and/or are approved for an exemption, please make sure to provide us updated information.

Can I prepay my escrow so that my payments don't change?

No. You are required to pay 1/12th of each escrowed item monthly with your principal and interest payment.
